If you believe you or another person has been discriminated against under Title II and III of the American Disability Act of 1990 by Twin Cities Area Transportation Authority (TCATA) or one of our employees, you can file a complaint, or alternatively, request reasonable modification, by mail, fax, or email at:

TCATA ADA coordinator

Twin Cities Area Transportation Authority  
Attn: ADA Coordinator  
275 East Wall Street  
Benton Harbor, Michigan 49022

**Fax:** 269-927-2310

**Email:** office@tcatabus.org (Attn: ADA Coordinator)

**Take the first step:** Before filing your complaint or request, contact the TCATA ADA Coordinator to discuss your concerns. They can look into the issue and try to come up with an acceptable resolution to the situation.

You may file a complaint or request a reasonable modification in writing with TCATA using the following procedures:

1. File a written complaint with TCATA as soon as possible, but no later than 180 calendar days after the alleged violation. Requests for reasonable modification may be filed at any time.
2. The written complaint or modification request should be submitted by the grievant and/or their designee.
3. Alternative means of filing complaints and requesting modifications, such as a personal interview or a tape recording, will be made available upon request.
4. The written complaint or modification request should contain the information required by the TCATA's [Ada and Paratransit Rider Guide, Policies and Procedures](#) that is available at [www.mywaythere.org/ada.asp](http://www.mywaythere.org/ada.asp). Alternative formats and language translations for this document are available on request.
5. Explanation of approval or denial of reasonable modification requests will be made and sent to the requestor within seven calendar days of receipt.
6. If necessary, TCATA will meet with the complainant to discuss the complaint and possible resolutions within 15 calendar days of receiving a complaint.
7. Within 30 days of the complaint and/or 15 calendar days of the meeting, TCATA will respond in writing or another accessible format. The response will explain the position of TCATA and offer options for substantive resolution of the complaint.
8. If the complaint does not have enough information to permit TCATA to make a decision, or if an extended factual inquiry is necessary to determine the facts of the matter, TCATA may provide an interim response to the complainant, within 30 days of receiving the complaint. The interim

response will state the reasons for needing additional time and inform the complainant of when TCATA expects to issue a determination.

9. If the response by TCATA does not resolve the issue, the complainant and/or designee may appeal the decision within 15 calendar days to the Federal Transit Administration Office for Civil Rights.
10. All written documents in the Reasonable Modification process will be retained by TCATA for at least one year. All complaints and related documents will be held for a minimum of five (5) years.
